SUMMARY

A Distinguished Attorney and Legal Consultant with extensive experience in Syrian litigation and international arbitration. I bridge the gap between traditional legal excellence as the CEO of Al-Baredi Law Firm and modern innovation as the Founder of Lawnex AI. Expert in providing strategic counsel to multinational organizations and committed to digitizing the legal landscape through cutting-edge Artificial Intelligence.

EXPERIENCE

2025 – Present

Founder & CEO | Lawnex AI Application

- Spearheaded the development of Syria's premier AI-powered legal ecosystem to digitize and streamline access to national legislations.
- Designed comprehensive management tools for corporate legal departments, enhancing workflow coordination and operational efficiency.

2020 - Present

CEO of Al-Baredi Law Firm and Legal Consultations

- Managing the legal portfolio for a distinguished clientele of international organizations and major industrial and commercial corporations in Syria.
- Providing legal representation and arbitration in complex civil, commercial, and tax litigations, while establishing long-term strategic partnerships.

2019 - 2024

Supervision of Scientific Legal Theses

- Supervised numerous scientific legal theses at the Damascus Bar Association.

2018 - 2025

Arbitration in Various Legal Specializations

- Provided consultation, advocacy, and legal contract review for individual and corporate clients.
